Respondent : Sh. Ram Niwas, ZRO (South)-II

An ATR has been filed by ZRO (South)-III, DJB stating therein that:-

"It is informed that bill of the K. No. 3653691000 installed at property No. 1479 Chitranjan Park has been corrected. In this bill, while replacing the old meter with SPML, bill was generated with reading of 2755 KL instead of 755 KI on 1.7.2015. The same has been corrected with correct reading.

The present reading of meter is found as 2121 KI as on 9.2.2018. Earlier bill was issue with reading of 1979 KI as on 17.12.2017. Hence the reading of present meter was correct.

The present /correct bill is Rs. 108333/- up to 17.12.2017. The consumer has not made the payment after 17th November 2014. The consumer is requested to make the payment of this bill."

The department has rectified the mistake committed and revised bill has been given to the complainant. The problem arose at the time of replacement of water meter which has been rectified. Even the revised bill in their amount is unpaid from 2014.
