3 Relevant facts emerging during the hearing

The complainant alongwith his father is present. He reiterated the allegations as mentioned in his complaint. He further alleged that police has favoured the accused by removing evidence from the file and connivance with the accused persons.

4. Directions of PGC

Neither any MLC has been issued by any government hospital nor any X-ray has been submitted to the police alongwith the complaint in support of the allegations. Even the private doctor has not given any opinion regarding nature of injuries.

As per the record placed in the file, the case has been chargesheeted and the names of the alleged accused have been mentoned in the chargesheet. The complainant, if he so desires can raise the matter at the time of framing of charges by the Hon'ble Court.

Taking into account the submissions of the parties concerned and proceedings recorded during the course of hearing, the Commission feels that the matter relates to dispute between the neighbours over trivial matters involving playing of loud music. Such matters should, infact, be resolved by the parties themselves without taking recourse to the police. Further, considering the alleged police indifference to the contentions of the complainant, Shri Joginder Joon, SHO/Palam Vihar present on 18.6.2018 before the Commission is advised to brief the staff to handle such matters with due sensitivity. SHO/Palam Vihar to give a hearing to complainant in the next week, regarding allegations of removal of photographs/evidence from the file so that his confidence in police functioning is restored.

With the above advice, the matter stands closed in the Commission.
