1. Brief Facts of the Case

The complainant has filed a grievance in the Commission, stating that he retired from DSSSB as Deputy Secretary in April, 2019. At the time of his retirement, one minor penalty order was under operation. However, as per the content of the order, the same would not have effect on his retirement. He stated that he applied for voluntary retirement and after obtaining necessary vigilane clearance from DSSSB and DOV, he was allowed retirement from service w.e.f. 15 April, 2019. He further stated that he had been given all benefits including his pension as per the last pay drawn at the time of his retirement. However, one MACP due to him w.e.f. October, 2019 was not granted then. He wrote a letter to the Services Department for considering grant of MACP w.e.f. the date of his retirement as the minor penalty ceased to operate there after. He further stated that the then Secretary DSSSB was kind enough to accept his request and accordingly a letter was written to DSSSB for providing the details regarding his penalty order to them for examination by the committee. However, till date no reply has been received from DSSSB. On his (complainant) request, a letter was again sent to them for sending the reply but no one is responding. The complainant has requested the Commission to issue necessary directions to all concerned so that his grievance is settled at the earliest.
